Are you an Italian parent who wants to learn more about bilingualism at public school? Are you a talented elementary teacher who speaks Italian?

We welcome families whose children are interested in a Dual

Language Program - including the Italian PreK and K opening in September 2018. Italian bilingual teachers are also welcome. Come and join NYC Bilingual Revolution!

Da settembre 2018 partiranno nuovi programmi PreK and K bilingue italiani nelle scuole pubbliche di NY.

Se siete interessati a tali programmi, se avete un bambino in età scolare o insegnate alle scuole

elementari vi aspettiamo! Sosteniamo tutti insieme la Rivoluzione Bilingue di NYC con l'italiano!
